

MVP-SOS FUNDING GUIDELINES AS OF JANUARY 2024

MVP-SOS accepts applications for funding of New Milford* children in grades K-12 that have financial need. Please download the updated application form at www.mvpsos.org. The first two pages of the parents or guardians most recent tax return must be submitted with the application to be considered for funding. We no longer accept the school lunch assistance letter.

Currently we fund 50% of registration fees for qualifying applicants. We do not cover late fees, or equipment. We fund local New Milford organizations that offer children programs in sports, arts, and education during the 3 seasons of the school year. We have a limit of \$300 per program for 6-months, and a \$500 limit per child per year.

PLEASE NOTE: We **ONLY FUND** recreational, non-competitive, community sports/activities. We **DO NOT FUND** elite, competitive, or travel leagues/teams.

If approved we will mail an MVP-SOS voucher to the parent, made out to the requested organization offering the program. This voucher is then submitted to the organization during their registration period. Please allow at least 30 days for application review prior to registration deadline. All questions relating to applications can be sent to mvpsosapplications@gmail.com.

Please keep in mind, all MVP-SOS members are volunteers and will do our best to respond in a timely manner.

Mail application with financial information to:

MVPSOS
PO Box 1146
New Milford, CT 06776

NOTE: Voucher MUST be redeemed by the receiving organization within 90-days of issue date. Once the child is registered, the organization mails or emails the voucher to MVPSOS, and a check will be issued.

Please see our website www.mvpsos.org for more information.
