

MVPSOS

FOUNDATION, INC.

MVPSOS is a volunteer 501(c)(3) non-profit foundation established in 2004. Because we are 100% volunteer, 95% of the money we raise is awarded in grants to New Milford families. Our mission is to provide funding to New Milford children who have financial need, so that they are able to participate in school related or after-school sports, arts, music and educational programs. We believe that all children of New Milford deserve an equal opportunity to participate in any sport, join any academic club, travel with a school

group, or explore their creative side in music or the arts, regardless of their financial status.

Our mission is to financially assist as many New Milford children as possible, to create an equal playing field for all. Our mission is for the town of New Milford to be recognized as a community where all children have an equal opportunity to pursue their personal interests and goals.

Come join us for a round of great golf, great food, great prizes and help New Milford children.

Located on what once was farmland in the 1800's the Silo•Point, formerly Heritage Village Country Club is an 18 Hole championship golf course located in Southbury, CT.

Designed by Al Zikorus and opened in 1967, Silo•Point Country Club winds its way throughout the Heritage Village community. Instead of designing straight away fairways, 16 of the 18 holes are majestically carved through the foothills and along the Pomperaug River.

The Club has hosted two LPGA tournaments and numerous Connecticut State Golf Association tournaments.

The course plays at 6,241 yards from the blue tees, 6,041 yards from the whites, 5,500 yards from the red tees and 5,595 yards from the gold tees.
